

The Local, located in the heart of Port Melbourne, offers a great atmosphere, fantastic food and beverage choice, value for money and fully equipped function spaces to suit any occasion.

The Local is situated a stones throw away from Hobson's Bay in the heart of Port Melbourne. Parking near the venue in the surrounding streets is easy, or if you are traveling by public transport, the 109 tram runs to Station Pier from the CBD and stops a 10 minute walk away.

We have two fantastic function areas available or alternatively hire out the whole venue for that special event! 2 or 3 course menus, several platter choices and numerous beverage options are available upon request. We are able to tailor packages to suit all needs to ensure your event is a success.

Main Function Room

The function room sits above the public bar and dining room and has fantastic views of Bay Street and the beach.

This room can be transformed into a fantastic dining area that seats up to 100 with full table service. The function room features its own bar and is ideal for stand up cocktail style events for up to 200 people. With a full dance floor, disco lighting, audio visual equipment, big screen and projector and a private balcony and heated smoking area, this room is perfect for cocktail parties, sit-down dinners, birthdays, meetings, luncheons, and wedding receptions.

The function room is also an ideal place to hold your next business meeting. Corporate breakfast or all day conference, the room can be set up with u shaped seating or theatre style on request. This room is fully equipped with AV equipment including a large screen and projector and we can also provide a microphone, white board and flip chart for no extra cost.

Bay Street Dining Area

The ground level incorporates both the public bar and dining room.

With an inviting lounge area, this space is perfect for large dinner bookings in a casual, relaxed environment. Up to 50 people for a cocktail style function or up to 25 for a sit down meal can be accommodated on the ground level.

Contact the Local on 9810 0076 to discuss your function needs and for menus and costings.
